JERRY BELL

CHAIRMAN, EXECUTIVE BOARD

T. Geron (Jerry) Bell was named Chairman of the Twins Executive Board on January 3, 2011. In his position, he serves as an advisor to ownership and the team's senior management group on a variety of club operational issues as well as facility development.

Prior to his current role, Bell served as President of Twins Sports, Inc. Named to that post on November 26, 2002, he led the effort to ensure the long-term viability of the Minnesota Twins and specifically oversaw the development, design, construction and the opening of Target Field. Bell's leadership was central to the ballpark's ground-breaking design, LEED certification and successful management of the project's budget and timeline.

Bell, who was named the third president in club history in January, 1987, spent 16 years as the chief executive of the club. He led the team's business operations and was instrumental in the 1987 and 1991 World Championship seasons. Other accomplishments include setting an American League attendance record in 1988 when the Twins became the first junior-circuit team to attract more than three million fans. He also led the development and construction of Minnesota's spring training facility, Lee County Sports Complex, located in Ft. Myers, FL, which opened in 1991.

Bell joined the Twins after serving as Executive Director of the Metropolitan Sports Facilities Commission (MSFC), which operates the Metrodome. He joined the MSFC as Assistant Executive Director upon the commission's inception in 1977.

His past professional activities include being a member of Major League Baseball's Professional Baseball Association Committee/Baseball Operations Committee. He also served on the Hall of Fame Veteran's Committee for Major League Baseball. Past activities have included three terms as member of the North St. Paul/Maplewood School Board, including five years as chairman; serving on the Minneapolis Downtown Council Board of Directors from 1993-2002; member of the Minneapolis Chamber of Commerce Communications Committee; Board of Directors for the Greater Convention and Visitors Association; member of the Executive Committee of the Minneapolis/St. Paul Final Four organizing committee and former consultant to the Miami Dolphins, Ltd., of the NFL. In 2010, Bell was the recipient of the Herb Carneal Lifetime Achievement Award as presented by the Minnesota chapter of the Baseball Writers Association of America.

Jerry and his wife, Phyllis, who make their home in North St. Paul, MN, have two daughters.

DAVE ST. PETER

PRESIDENT

Dave St. Peter was named the fourth president in Minnesota Twins history on November 26, 2002. He oversees the team's day-to-day operations, strategic planning and interaction with Major League Baseball. In addition to his role with the baseball team, St. Peter oversees the franchise's sister company -- Northern Lights Broadcasting -- which includes 96.3 KTNW-FM, the Twins flagship radio affiliate commencing in 2013.

St. Peter played a central role in the approval, design, construction and opening of Target Field, which was named 2011 Sports Facility of the Year by the Sports Business Journal/Sports Business Daily. He also recently oversaw the team's effort to secure the Major League Baseball All-Star Game, which will be played at Target Field in July of 2014.

At age 46, St. Peter begins his 24th year with the Twins. He joined the organization in 1990 and held a variety of positions including Vice President of Corporate Communications. He was named Senior Vice President of Business Affairs in February of 1999 and assembled a sales and marketing team which helped increase attendance nine of the past 13 seasons. In 2010, the Twins established a new single season franchise attendance record by attracting more than 3.2 million fans to Target Field and the club was recognized by ESPN: The Magazine as having the best stadium experience in all of professional sports. St. Peter's leadership has been integral in the team's growing corporate partnership base; development of the "Magic Moments" customer service initiative; the "Go Twins, Go Green" environmental stewardship platform; the expanded Twins Radio Network; aggressive community outreach; and enhanced alumni involvement -- including creation of the Twins Hall of Fame.

St. Peter has been part of a leadership team helping the franchise win six American League Central Division championships in the past 11 seasons (2002-04, 06 and 09-10). During St. Peter's leadership tenure, the Twins have twice been named "Organization of the Year" by *Baseball America* (2002 and 04). In 2006, the entire Twins organization was recognized as the Minneapolis Star Tribune's "Sports Person of the Year." The franchise received the Atlanta Sports Council's Horizon Award (2002) as the Professional Sports Organization of the Year, while the Twins Community Fund was a 2000 recipient of the Greater Minneapolis Chamber of Commerce's Quality of Life Award and a 2006 recipient of a Project Evergreen Award. In 2010, the Twins were honored by the Star Tribune as one of the "Top 100" workplaces in the state of Minnesota. In 2011, the Twins were the recipient of the Minneapolis Park and Recreation Board's "Living the Dream" Award. St. Peter has also been named to the Street and Smith's Sports Business Journal and Minneapolis-St. Paul Business Journal's "Forty under 40" lists.

In the community, St. Peter serves on the board of the Minnesota Twins Community Fund, the Ronald McDonald House of the Twin Cities and Meet Minneapolis.

St. Peter was born in Bismarck, North Dakota, and graduated from the University of North Dakota in 1989. Dave, son Jack and twin sons Eric and Ben make their home in Chanhassen, MN.

TERRY RYAN

EXECUTIVE VICE PRESIDENT, GENERAL MANAGER

Terry Ryan was named Executive Vice President/General Manager on November 7, 2011, after spending the previous four seasons as a Special Assistant to General Manager Bill Smith (2008-2011). He was originally named as the fourth General Manager in Minnesota Twins history on September 13, 1994, holding that position until stepping down following the 2007 season. Ryan is responsible for the team the Twins put on the field and overseeing the coaching staff and entire baseball department, including team travel and baseball communications.

Ryan began his professional career with the Twins in 1972 after being drafted in the 35th round out of Parker High School in Janesville, Wisconsin. He pitched in the Twins minor league system for four seasons, posting a 14-3 record, including 10-0 in 1973, before an arm injury cut his career short. In 1975, he enrolled at the University of Wisconsin-Madison and graduated with a degree in Physical Education in 1979.

Ryan returned to baseball in 1980 as Midwest Scouting Supervisor for the New York Mets, a position he held for six years before being named Scouting Director for the Twins in January 1986. He was recognized by Topps in 1998 with the Advancement Through the Game Award. Prior to his first tenure as General Manager, Ryan served as the Vice President of Player Personnel, a position he assumed at the end of the 1991 season. In that role, Ryan was responsible for scouting and evaluating all talent at the major league level and assisting in personnel decisions. Ryan was also responsible for signing all major league players with less than three years of major league service.

In addition to his duties with the Twins, Ryan was appointed to the Commissioner's Special Committee for On-Field Matters in December of 2009, as well as being a member of the Major League Baseball Playing Rules Committee since 2005. He has also served on the Arizona Fall League (AFL) Steering Committee since 2005, a position he also held in 1997-98. In 2009, Ryan was the recipient of the AFL's Roland Hemond Award, which is presented annually to a baseball executive in recognition of at least 15 years of outstanding service to the AFL and professional baseball in a key leadership capacity. In January of 2013, he was awarded the George Genovese Lifetime Achievement Award in Scouting from the Professional Baseball Scouts Foundation.

Through the efforts of Ryan and his staff, the Twins won the American League Central Division title in four of his last eight years as the general manager (2002-04 and 06). He has twice been named Sporting News Executive of the Year (2002 and 06), and was also named *Baseball America's* Major League Executive of the Year in 2004. The Negro Leagues Baseball Museum honored Ryan with the Andrew "Rube" Foster Legacy Award as American League Executive of the Year in 2004 and again in 2006. In 2002, the Twins were named Organization of the Year by *Baseball America* (also in 2004), USA Today and Sportsticker.

Terry and his wife Karilyn have two children, Tim (daughter-in-law Tara) and Kathleen, and reside in Eagan, MN.

HOW TO FIGURE...

BATTING AVERAGE: Divide the number of safe hits by the total number of at-bats (at-bats do not include walks, sacrifices, hit-by-pitch, or times awarded first on obstruction or interference).

SLUGGING PERCENTAGE: Divide the total bases of all safe hits by the total number of at-bats.

ON-BASE PERCENTAGE: Add the total number of hits, walks and hit-by-pitch and divide by the total of at-bats, walks, hit-by-pitches and sacrifice flies.

EARNED RUN AVERAGE: Multiply the total number of earned runs by nine, then divide the result by the number of innings pitched.

FIELDING AVERAGE: Divide the total putouts and assists by the total of putouts, assists and errors (total chances).

CONSECUTIVE HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference, or a sacrifice bunt. A sacrifice fly shall terminate the streak.

WON-LOST PERCENTAGE: Divide the number of games won by the total number of games played.

MISCELLANEOUS BASEBALL TERMINOLOGY

WHIP: Walks and hits per innings pitched = add a pitchers walk total with his hit total and divide by the amount of innings pitched.

QUALITY STARTS: A starting pitcher logs at least 6.0 innings and allows three earned runs-or-fewer in an outing.

TOTAL BASES: Number of bases a hitter gains via hits only...Single = 1, Double = 2, Triple = 3, Home run = 4.

AT-BAT vs. PLATE APPEARANCE: Plate appearance refers to any time a batter completes a turn batting. NOTE: A plate appearance cannot be logged if a preceding runner was out on the base paths for a third out or the game ends with a runner scoring from third on a wild pitch or balk. At-bat refers to any turn batting that does not result in a walk, hit-by-pitch, sac-fly or sac-hit (bunt).

GO AHEAD RBI: Any RBI that results in the winning club's game-deciding run-batted-in.

CLOSE AND LATE: A situation in which the game is in the seventh inning-or-later and the team batting is either leading by one run, tied, or has the potential tying run on base, at-bat, or on deck.

TIMES ON BASE: Includes the total number of times a hitter reaches base as result of a hit, walk, or hit-by-pitch...does not include times a hitter reaches via error or fielder's choice.

CATCHER'S ERA: The earned run average of a team's pitchers with a particular catcher behind the plate. To compute, multiply nine by the earned runs allowed by the pitchers for that specific catcher, then divide that figure by his innings caught.

HOLD: Credited to a relief pitcher who enters a game in a save situation, records at least one out and leaves the game never having surrendered the lead. NOTE: A pitcher cannot finish a game and earn a hold.

ROBERTO CLEMENTE AWARD

Since 1971, Major League Baseball has annually presented an award that recognizes a player who best exemplifies the game of baseball through sportsmanship, community involvement and positive contributions to his team.

In 1973, following the tragic death of Roberto Clemente, the award was named to honor the man whose spirit and goodwill will always be remembered. The 12-time All-Star and Hall of Famer was killed in a plane crash in 1972 delivering food and medical supplies to earthquake victims in Nicaragua. The award recognizes those individuals who truly understand the value of helping others.

A panel of baseball dignitaries, including Vera Clemente and Commissioner Allan H. (Bud) Selig, annually selects the winner from a list of 30 candidates, one from each Major League Baseball Club. The winner of the national Roberto Clemente Award is announced during a pre-game ceremony at the World Series. Past winners include Jamie Moyer, Jim Thome, Rod Carew (Twins - 1977), Dave Winfield (Twins - 1994), Kirby Puckett (Twins - 1996), Curt Schilling, Al Leiter, Tony Gwynn, Willie Mays, Ozzie Smith, Derek Jeter, Albert Pujols, John Smoltz, and Cal Ripken, Jr.

The 2012 Minnesota Twins Roberto Clemente Award nominee was Justin Morneau (second career nomination). The 2012 recipient was Los Angeles Dodgers pitcher Clayton Kershaw.

PINCH-HITTER RULE

A player shall be considered a pinch-hitter only if he enters the game as a substitute batter, and then only on his first time at bat, which must be before he becomes a fielder. (If the team bats around and a pinch-hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch-hitter during that second time up.)

A substitute hitter for a designated hitter is both a pinch-hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

PLAYER LIMITS

Major League rosters are limited to 25 active players from Opening Day through August 31, with the exception of any split or regular doubleheaders that aren't contained in the original schedule or created to reschedule games, in which case, teams can temporarily add a 26th player. Teams may expand their active rosters to as many as 40 players on September 1. During the course of the season, a team may place as many players as they want on the 15-day disabled list, during which they must remain inactive for a minimum of 15 days (no maximum). Teams may also place as many players as they need to on the 60-day emergency disabled list, where they must remain for a minimum of 60 days, but only when the club is at the maximum of 40 players. Players carried on this list are not counted in 40-man roster limit. If placed or transferred there after 60 days prior to the final game of the season, the player must remain there through the postseason.

SAVES RULE

Credit a pitcher with a save when he meets all three of the following conditions:

- (1) He is the finishing pitcher in a game won by his club; and
- (2) He is not the winning pitcher; and
- (3) He qualifies under one of the following conditions:
 - (a) He enters the game with a lead of no more than three runs and pitches for at least one inning; or
 - (b) He enters the game with the potential tying run either on base, at bat or on deck; or
 - (c) He pitches effectively for at least three innings.

No more than one save may be credited in each game.

It is considered a "blown save" when a pitcher who has entered a game in a save situation departs with the save situation no longer in effect because he has given up the lead. If the save situation still exists when he leaves the game, he is not charged with a save opportunity. And, if he has not given up the lead when he leaves the game, even though the save situation may no longer exist, he is not charged with a save opportunity.

THE DESIGNATED HITTER

DESIGNATED HITTER RULE

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of the designated hitter for that game.

The designated hitter is 'locked' into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn immediately becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher must then assume the batting of the replaced defensive player, thus terminating the designated hitter role. The designated hitter is eligible for all American League batting titles.

TWINS DESIGNATED HITTER FACTS

>> The designated hitter was implemented for American League teams at the start of the 1973 season. The Twins first ever designated hitter was Tony Oliva, who went 2-for-4 with a home run, three RBI, a run scored and a walk on April 6, 1973 at Oakland. It was the first home run ever hit by a designated hitter in Major League Baseball.

>> In 2012, 12 different Twins players recorded at-bats at the DH spot totaling 18 home runs, 95 RBI and a batting average of .253 with 78 runs scored, 33 doubles six triples and 70 walks. The 12 DH's used were the Twins fewest in a season since using 10 in 1999.

>> Just two players have totaled 502 at-bats or more in a single season all-time in a Twins uniform as a designated hitter. Paul Molitor hit .340 with eight home runs and 100 RBI in 1996 while Chili Davis hit .277 with 29 home runs and 93 RBI in 1991. Both players won the Outstanding Designated Hitter Award in those respective years.

EARNED RUNS RULE

The determination of earned-runs is as follows:

'An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls, and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play.'

Until 1969, a reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

DID YOU Know?

...that on September 22, 1968 vs. Oakland at Metropolitan Stadium, Cesar Tovar became the second major leaguer ever to play all nine positions in one game. He is also the only position player to be the starting pitcher in Twins history, as he tossed a scoreless first inning, including a strikeout of Reggie Jackson. He went on to catch, play first base, shortstop, third base, left field, center field and right field for an inning apiece.

MAJOR LEAGUE WAIVER RULES

There are four types of waiver requests: Trade Assignment Waivers, Outright Assignment Waivers, Optional Assignment Waivers and Unconditional Release Waivers

Trade Assignment Waivers (formerly Major League Waivers) – Are necessary for any player assignment between major league clubs made from August 1 until the day after the close of the regular season. Waivers are required to trade any player during this time period. Prior to August 1, players may be traded from one organization to another without waivers.

Outright Assignment Waivers (formerly Outright or Special Waivers) – Are irrevocable and are required for a major league club to assign a major league player outright (i.e., without right of recall) to a minor league club during certain periods through the year.

Optional Assignment Waivers (formerly Major League Waivers) – Are required in order for a major league club to assign a major league player optionally (i.e., with right of recall) to a minor league club, if required by Rule 10(e)(4). Optional assignment waiver request may be revocable or irrevocable.

Unconditional Release Waivers - Can be secured at any point during the year.

UMPIRE INTERVIEW POLICY

Major League umpires shall cooperate with the news media concerning controversial plays, protested games and unusual incidents, ejections, etc. Any unusual plays should be explained to the press box, usually between innings. Umpires are available for post-game interviews relative to unusual or controversial happenings. The senior umpire is in charge of such interviews and will act as a spokesman for the 'crew'.

DID YOU Know?

...that in 1976, Twins pitcher Bill Campbell went 17-5 with a 3.00 ERA and 20 saves in 78 relief appearances. He became the second player in major league history to win and save at least 15 games in a season since saves became an official statistic in 1969 (Dodger's Mike Marshall won 15 and saved 21 in 1974). Campbell's 17 victories ties the American League record for wins in relief. In 1977, Twins reliever Tom Johnson became the third player in major league history to win and save at least 15 games. He finished the season 16-7 with a 3.12 ERA and 15 saves in 71 relief appearances.

DID YOU Know?

...that the Twins best homestand ever took place during the 1991 season. The team went 10-0 from June 3-13 against Baltimore (3-0), Cleveland (4-0) and New York (3-0). The franchise's best road trip resulted in 7 wins in 8 tries, accomplished twice. The first was a New York, Milwaukee and Boston trip, April 28 to May 7, 1972 and with the second coming 30 years later on a Cleveland, Detroit and Chicago trip from July 17-July 24, 2002. The Twins have had two trips over the years on which they've won 10 games, however. They were 10-7 between July 23 and August 8, 1963 and 10-6 from August 14-27, 1967.

— **bold** indicates player still active with Twins

...that on 22 occasions, Twins catchers and pitchers have combined to nab three would-be base stealers in a game, but only once, on May 29, 1982, have they ever nailed four runners in one game. Ken Griffey, Graig Nettles, Bobby Murcer, and Willie Randolph were caught by Twins catcher Sal Butera that day; Nettles and Murcer as part of a Twins triple play.

DID YOU Know?

...that the longest home run ever hit by a Twin was estimated at 520 feet. Harmon Killebrew crushed the three-run blast off California righty Lou Burdette, which landed in the sixth row of the upper deck at Metropolitan Stadium on June 3, 1967. The ball cracked the seat, which was later painted orange to commemorate the event.

The history of the Minnesota Twins franchise dates back to the year 1901 when, as the Washington Senators, they were born as one of the eight original franchises in the American League. For sixty years, the Senators played baseball in our nation's capital, winning one World Championship and three American League pennants, while adding Hall of Fame players like Walter Johnson, Sam Rice and Goose Goslin to the rich history of America's game.

In 1961, owner Calvin Griffith moved the Senators from Washington, DC to Minnesota where a new chapter has been written, one more impressive than the first. In the 52 years

since, the Minnesota Twins have won two World Championships, three American League pennants and made 11 playoff appearances. It is here that players like Killebrew, Kaat, Carew, Blyleven, Hrbek and Puckett have been able to weave their own names into history, not only for the franchise, but for the game.

The records and All-Time Top Ten Lists below recognize this history by including the statistics of the Washington Senators of 1901-60, as their history is our history, and any franchise history without them would be incomplete.

40TH SEASON ANNIVERSARY ALL-TIME TEAM

In 2000, the Minnesota Twins celebrated 40 years of baseball in Minnesota. As part of that celebration, the Twins announced the Twins All-Time Team as part of the ballclub's 40th Season Celebration.

Voting for the Twins All-Time Team was split into three phases, including: the fans, the Upper Midwest Media and the players (former/current Twins players and coaches). Each groups' vote counted one-third toward the final balloting results with the top vote recipients at each position automatically being named to the team. The All-Time Team selection committee reserved the right to name additional players to the final roster based upon overall vote totals.

The All-Time Team took part in an on-field pre-game ceremony on August 12, 2000 and a poster depicting the All-Time team was given to the first 10,000 fans in attendance, courtesy of the Star Tribune.

A total of 93 Twins players and managers were featured on the All-Time Team ballot which included categories for each of the following: manager, catcher, first base, second base, third base, shortstop, outfield, right-hand starting pitcher, left-hand starting pitcher, relief pitcher, designated hitter, pinch hitter and utility player.

The Minnesota Twins 40th Season All-Time Team is comprised of 22 members of which ten were also on the club's 25th Anniversary Team in 1986 including catcher Earl Battey, first baseman Harmon Killebrew, second baseman Rod Carew, shortstop Zoilo Versalles, leftfielder Bob Allison, centerfielder Cesar Tovar, rightfielder Tony Oliva, right-handed pitcher Camilo Pascual, left-handed pitcher Jim Kaat and relief pitcher Al Worthington. In 1986, the Minnesota Twins celebrated 25 years of baseball in Minnesota. As part of that celebration, the Twins held a 25th Anniversary Reunion on July 31-August 3. The weekend began with a banquet in which the Silver Anniversary Team, voted by fans, was announced (see above). The weekend concluded with an Old Timers game, featuring the 1965 World Series Twins playing a team consisting of other former Twins, and a pre-game ceremony honoring the Silver Anniversary Team. Fans were treated to a Camera Night in which they were able to take pictures with their favorite former Twins and received a memorable poster which was a collage of the team. Below is the 25th Anniversary Team.

In 2009, the Minnesota Twins celebrated the final season in the Hubert H. Humphrey Metrodome. As part of that celebration, the Twins held a "Farewell To The Metrodome" weekend during which the All-Metrodome Team was announced.

Voting for the Twins All-Metrodome Team was split into three phases, including the fans, the Upper Midwest media and a veteran's committee made up of Twins alumni, front office representatives and team historians. In total, more than 100,000 votes were cast by the fans at www.twinsbaseball.com.

The All-Metrodome team took part in an on-field ceremony following the Twins final scheduled regular season home game on October 4, 2009 vs. the Kansas City Royals. Below are the players that make up the Twins All-Metrodome Team:

2012 MINOR LEAGUE RECAP

ROCHESTER (72-72, AAA, International League) -- The Red Wings snapped a back-to-back streak of finishing last in the North Division, improving from 53-91 in 2011 to play .500 baseball, finishing 72-72, compiling their most wins since the 2009 season (74-70). Outfielder Matt Carson led the Wings with 14 home runs, 53 RBI and 64 runs scored. Fellow outfielder Wilkin Ramirez also paced the offense, batting .276 with 15 homers, 54 RBI and 39 runs scored in 98 games played. Hendriks went 9-3 with a 2.20 ERA in 16 starts. Vasquez began the season in the bullpen before being moved to the starting rotation, going 9-6 record in 31 appearances, including eight starts.

NEW BRITAIN (75-67, AA, Eastern League) -- For the second consecutive year, the Rock Cats were eliminated by Reading on the final day of the season. New Britain finished third in the Eastern Division after going 75-67. Rock Cats hitters finished second in the league in both RBI (620) and runs scored (669) and third in batting average (.262). The pitching staff ranked sixth in ERA (4.00) while finishing last in strikeouts (930) but issued the fewest walks in the league (401). Andrew Alberts (LHP), B.J. Hermesen (RHP) and Chris Herrmann (C/OF) represented the Rock Cats in the Eastern League All-Star Game. Outfielder Oswaldo Arcia was promoted to the Rock Cats on June 18 and hit .328 with 10 home runs and 67 RBI in 69 games. Arcia also represented the Twins at the MLB All-Star Futures Game in Kansas City. Outfielder Aaron Hicks led the league in runs scored (100), triples (11) and walks (79). Hicks also became the franchise single-season leader in runs scored and triples. First baseman Chris Colabello finished second in the league in RBI (98) and fifth in home runs (19). Right-hander B.J. Hermesen tied for the team lead with 11 wins and finished seventh in the league in ERA (3.22). Left-hander Logan Darnell also added 11 wins and ranked sixth in the league in innings pitched (156). Catcher Chris Herrmann made his major league debut in September.

FT. MYERS (60-75, High-A, Florida State League) -- The Miracle finished fifth in the South Division in the first-half with a 28-39 record and fourth in the second half with a 32-36 record, posting a 60-75 overall record, fourth in the Florida State League South Division. Ft. Myers finished the season with 89 home runs, third most in the Florida State League. The Miracle sent five players to the All-Star game in Charlotte, Pat Dean (LHP), Ricky Bowen (LHP) Josmil Pinto (C), Daniel Santana (IF) and Oswaldo Arcia (OF). Santana was second in the league with 145 hits, batting .286 with eight home runs and 60 RBI. 2011 first round pick, Levi Michael batted .246 in 117 games, with 58 runs scored and 38 RBI, and second round pick Madison Boer went 7-10 in 22 games (19 starts) for the Miracle. Pat Dean led all pitchers in wins, going 10-8, 3.99 in 28 starts with a league-high 153.1 innings pitched.

BELOIT (77-63, Low-A, Midwest League) -- The Snappers finished the regular season with a 77-63 record and captured a trip to the postseason for the first time since 2007. At the plate, the Snappers ended the season leading the league in walks (546) as well as finishing second in RBI (616) and OBP (.349), and fourth in home runs (102) and batting average (.260). On the mound, they led the league in strikeouts (1,136) and finished second in ERA (3.53). Seven Snappers were named to the MWL All-Star game including: A.J. Achter (RHP), Tyler Grimes (SS), Jairo Rodriguez (C), Eddie Rosario (2B), Miguel Sano (3B), Michael Tonkin (RHP) and Jason Wheeler (LHP). Third baseman Miguel Sano was named the league's Prospect of the Year after leading the league in both home runs (28) and RBI (100). Second baseman Eddie Rosario finished fifth in extra-base hits (48) despite missing over a month after being hit by a line drive in the face. Left-hander Jason Wheeler led the league with 14 wins and left-handed reliever Corey Williams finished fourth in saves (17) and sixth in appearances (47). Sano and Williams were also named to the MWL Postseason All-Star team.

ELIZABETHTON (43-22, Rookie Advanced, Appalachian League) -- The E-Twins clinched the Appalachian League Championship title for the first time since 2008 after finishing first in the West Division and qualifying for the playoffs for the eighth straight year. They beat Burlington in three games (2 games to 1) in the finals, as D.J. Hicks hit a walk-off grand slam in the 12th inning of the third game (all 3 games went into extra innings). The Twins led the league in batting average (.279), runs scored (401), RBI (352) and finished second in home runs (61). On the mound, Elizabethton was first in ERA (3.13) and second in strikeouts (589). The team was led by All-Stars Candido Pimentel (OF) and Max Kepler (OF). Pimentel was the league's Player of the Year, as he ranked second in the league in batting average (.330) and hits (71). He was also third in runs scored (45) and on-base percentage (.405). Kepler led the league in on-base percentage (.539) and was second in the league in OPS (.925) and RBI (49). Hudson Boyd was third in the league in ERA (2.95), while Joshua Burris appeared in 18 games and went 7-0, 1.75 ERA, while striking out 40 in 36.0 innings. Ryan Hedwall was also named the league's Trainer of the Year.

GCL TWINS (33-27, Rookie, Gulf Coast League) -- The GCL Twins made a push for the playoffs all season, holding onto first place in the South Division through June and July, but couldn't clinch as they went just 9-13 in August, finishing one game behind the GCL Red Sox. Unfortunately, their five-game winning streak in the last six games couldn't make up enough ground on the Pirates, who won seven of their last 10 to secure the wild card spot for the second consecutive year. The Twins were led by their pitching staff, which posted the league's best ERA (2.75) and allowed the fewest earned runs (154) in the league. Aderlin Mejia (IF) and Jeremias Pineda (OF) were named to the GCL All-Star Team. Mejia was third in the league in batting average (.324) and tied for fourth in doubles (13). Pineda led the league in batting average (.365), hits (70), stolen bases (23), on-base percentage (.406), OPS (.875) and was named the GCL Player of the Year.

DSL TWINS (31-39, Rookie, Dominican Summer League) -- The DSL Twins finished sixth in the Boca Chica Baseball City Division, 12 games behind division leader, the Diamondbacks. Their pitching staff allowed the league's third-fewest home runs (12). Right-hander Junior Subero went 5-3, 1.43 ERA, with 54 strikeouts in 63.0 innings. Subero had the league's sixth-best ERA. Left-hander relief pitcher Jadison Jimenez led the team in wins going 8-0, 3.58 ERA, with 22 strikeouts in 37.2 innings over 20 games. At the plate, outfielder Adonis Pacheco led the team in batting average (.322), hits (68) and RBI (34). He was also fourth in the league in slugging percentage (.536).

DOMINICAN REPUBLIC BASEBALL ACADEMY

The Twins Dominican Republic operations were completely revamped following the 2003 season. The club relocated its training complex to a state-of-the-art baseball complex in Boca Chica, which opened in May 2004.

The Complejo Latinoamericano de Beisbol, S.A. (a.k.a. "Baseball City") houses six major league organizations: Arizona, Baltimore, Chicago Cubs, Chicago White Sox, Cincinnati and the Twins. Each club has its own individual facilities within one large complex.

The club provides housing and meals for amateur players working out in the Academy program, as well as for its professional players on the Dominican Summer League team.

A lower level of the two-story building includes a locker room, weight training room, office/meeting space, laundry, kitchen and a large dining room. The second floor features seven dormitory rooms which can accommodate up to 56 players, two large staff rooms and a large game room. Programs are provided year-round to teach English and cultural development to all signed players.

Boca Chica is located 30 minutes east of downtown Santo Domingo and the Twins complex is just 15 minutes from the international airport.

The playing facilities include a full-sized playing field, an additional infield for workouts and drills, two covered batting tunnels and a six-mound training area for pitchers.

The Twins Dominican facility is in full operation from February through mid-December.

OSWALDO ARCIA AND B.J. HERMSEN NAMED 2012 TWINS MINOR LEAGUE PLAYER AND PITCHER OF THE YEAR

Outfielder Oswaldo Arcia was named the 2012 Sherry Robertson Award winner as the Twins Minor League Player of the Year and right-handed pitcher B.J. Hermesen was named the 2012 Jim Rantz Award winner as the Twins Minor League Pitcher of the Year.

Arcia began the season at Single-A Ft. Myers and batted .309 (64-for-207) with 16 doubles, three triples, seven home runs, 31 RBI and 22 runs scored in 55 games with the Miracle. He was promoted to Double-A New Britain in mid-June and batted .328 (86-for-262) with 20 doubles, five triples, 10 home runs, 67 RBI and 54 runs scored in 69 games with the Rock Cats. He combined to bat .320 (150-for-469) with 36 doubles, eight triples, 17 home runs and 98 RBI in 124 games this season.

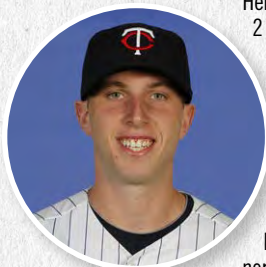

The 6-foot, 220-pounder was the Twins Minor League Player of the Month for May, Eastern League Player of the Week twice, Eastern League Player of the Month for July and ranked sixth best prospect in the Eastern League by *Baseball America*. He was selected to the Futures Game and Florida State League midseason All-Star team. He was signed by the Twins as a 16-year-old free agent out of Cantaura-Anzoategui, Venezuela in 2007.

Hermesen began the season at Single-A Ft. Myers and went 1-0, 0.78 ERA (23.0 IP, 2 ER), allowing 16 hits with five walks and 12 strikeouts in four starts. He was promoted to Double-A New Britain near the end of April and went 11-6, 3.22 (139.2 IP, 50 ER), allowing 145 hits with 25 walks and 75 strikeouts in 22 starts for the Rock Cats.

The 6-foot-5, 239-pounder was the Twins Minor League Pitcher of the Month for April, going 1-0, 0.78 ERA (23.0 IP, 2 ER) with five walks and 12 strikeouts. He was drafted by the Twins in the sixth round of the 2008 First-Year Player Draft out of West Delaware (IA) High School. Hermesen became just the 11th winner of this award.

The Sherry Robertson Award, named in honor of the Twins first farm director, was established in 1970 to recognize the Twins top minor league performer each season. Beginning in 2002, the award began recognizing the Twins Minor League Player of the Year while the Jim Rantz Award, named after the former Twins minor league director, was created to recognize the Twins Minor League Pitcher of the Year.

TARGET FIELD

TARGET FIELD®

The Minnesota Twins moved into their new home, Target Field, prior to the beginning of the 2010 season. The ballpark is a modern architectural expression, a dichotomy of Minnesotans' cosmopolitan lifestyle so rooted in nature and the outdoors. The stone and glass landmark, topped by a metal-clad, sculpted roof canopy, is chiseled into downtown Minneapolis on one of Major League Baseball's smallest sites. The ballpark's urban appeal is enhanced with immediate access to light rail and commuter rail, bridging the site to its urban surroundings and spurring development in the western corner of downtown.

Target Field proved to be one of the premier sporting and entertainment venues in the Upper Midwest, and one of the most unique, spectacular parks in all of Major League Baseball. Here is a list of features that helped to make it unlike any other baseball experience in America:

MATERIALS

Native Minnesota limestone forms the mass of the ballpark's exterior façade. Glass and metal details punctuate the limestone surface, creating a sophisticated composition. In addition, whenever possible, the ballpark and surrounding areas incorporated Minnesota-native flowers, trees and shrubs.

SEATING

Target Field features one of the closest seating bowls to the playing field in all of Major League Baseball. Seats in Target Field feature more leg room and are articulated towards the field of play. Target Field features more aisles with fewer seats per row.

CONCOURSE

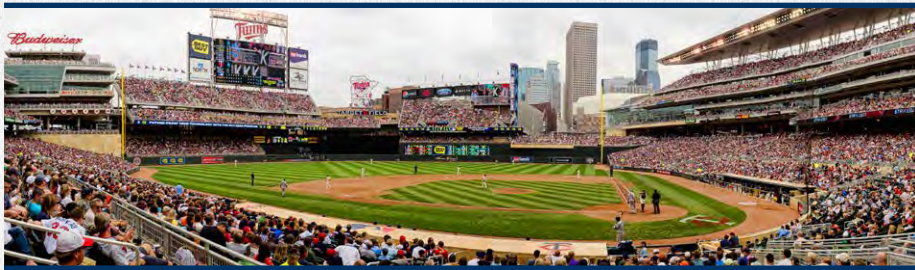

The ballpark features a 360-degree open main concourse giving fans an uninterrupted view of the playing field.

CLIMATE/SHELTER

The Twins are committed to providing a comfortable experience for the fans—even when our weather is less than perfect. Fans are able to take advantage of heated concessions, restrooms, and restaurant and lounge areas found on each ballpark level including the Terrace level. Target Field's roof canopy—one of the largest in baseball—provides added protection.

CELEBRATING MINNESOTA'S RICH BASEBALL HERITAGE

Minnesota's new ballpark celebrates the heritage and history of the game across the Upper Midwest. The ballpark includes tributes to the great Twins teams and players from the past as well as other Minnesota baseball icons.

LEED® Silver-Level Certification

Awarded April 2012 by U.S. Green Building Council

The Leadership in Energy and Environmental Design (LEED) rating system guides and distinguishes high performance buildings that have low environmental impact, are healthier for occupants and use more sustainable construction. Target Field's LEED score of 49 places it in the highest tier for an outdoor baseball facility in the U.S. and reflects the multiple sustainable design features of the ballpark and its construction.

The First Professional Sports Facility to Receive LEED® Silver Certification for Both Construction and Operations

Awarded November 2012 by U.S. Green Building Council

Less than a year after being named the Greenest Ballpark in America and earning LEED (Leadership in Energy & Environmental Design) Silver certification for New Construction, the Minnesota Twins and Target Field are now the first professional sports franchise to also attain LEED Silver Certification for the operation and maintenance of their facility.

In 2010, the U.S. Green Building Council awarded Target Field **LEED (Leadership in Energy & Environmental Design) Silver Certification** for New Construction, making it the second major league ballpark in the United States to achieve that status. Less than two years after earning LEED Silver certification for New Construction, the Minnesota Twins became the first professional sports franchise to also attain LEED Silver Certification for the Operation and Maintenance of their facility.

TWINS SUSTAINABILITY STATEMENT

We honor the power of sport by leading through example, and we will continue to use sport to inspire, build the best fan experience and cause no unnecessary harm, working with our fans, community, suppliers, partners and employees to have a positive influence in the world.

CAPTURING AND REUSING RAINWATER

Through a custom-designed Rain Water Recycle System provided by Minneapolis-based **Pentair**, the Minnesota Twins have captured, purified and reused more than 1,846,322 total gallons of rainwater, drastically reducing the use of municipal water at Target Field in 2011 and 2012. The majority of the recycled rainwater was used to wash down the seating bowl attached to the main concourse.

If the infield at Target Field was a six-foot-deep swimming pool, we could fill it four times with the water saved just in 2012.

RECYCLING AND CONVERTING WASTE TO ENERGY

Through aggressive recycling and waste-to-energy programs, the Twins have kept more than **2,559 tons of waste** out of local landfills in 2011 and 2012.

- **1,333 tons of trash** have been sent to the Hennepin Energy Recovery Center
- **956 tons of waste** have been recycled from Target Field
- **260 tons of organic materials** have been composted and diverted from landfills

In 2013, the Twins will seek help from fans in increasing the amount of recycled organic materials, further reducing the amount of waste produced at Target Field.

DONATING UNUSED FOOD TO LOCAL CHARITIES

The Minnesota Twins and concession partner Delaware North Companies Sportservice donated more than six tons of food to local charities during the 2012 season. Through a partnership with Rock and Wrap It Up! Inc., representatives from Joseph's Storehouse in Brooklyn Park boxed up all prepared but untouched meals at Target Field, donating the unused food from Target Field to local charities. In 2011, the Twins donated more than **7,500 pounds of food** through this program. Throughout the two-year partnership, the Twins have donated:

- more than **55,000 hot dogs and brats**
- more than **8,000 hamburgers**
- more than **3,500 chicken breasts**

To date, not only have these efforts helped feed hungry people at local charities, they have kept **TEN TONS** of waste out of local landfills. The Twins will continue this program in 2013.

TWINS RETIRED NUMBERS

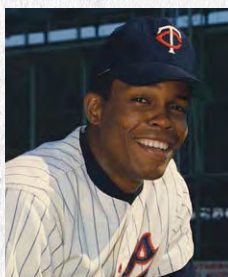

HARMON KILLEBREW

3

One of the greatest home run hitters of all time, Harmon Killebrew will forever be remembered by Twins fans as the 'Killer' for his prolific clouts. A member of the Twins from their inaugural Minnesota season in 1961, Killebrew hit 573 career home runs, 475 of them in his 14 seasons with the Twins, and ranks 11th on the all-time home run list and third (behind Babe Ruth and Alex Rodriguez) in American League history. He hit over 40 home runs on eight occasions, and 30-plus 10 times, while driving in 100-plus runs nine times.

Killebrew was the American League's Most Valuable Player in 1969 when he hit 49 home runs with an amazing 140 RBI and 145 walks, all team records that still stand. He was elected to the Baseball Hall of Fame in 1984, the first Twin to receive that honor. He had his number 3 formally retired May 4, 1975, was selected to the Twins 25th Anniversary Team in 1986 and 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and named one of the "50 Greatest Twins" in 2010.

Killebrew passed away on May 17, 2011.

ROD CAREW

29

No Twins fan will ever forget the graceful power of Rod Carew's hitting stroke. Nor will any baseball enthusiast ever forget the summer of 1977, when Carew made his determined run at the untouchable .400 mark, because, just as Killebrew embodied the power of the game, Carew represented its finesse.

He was a career .328 hitter over his 19 major league seasons and was the winner of seven American League batting titles, all during his 12 years with Minnesota. Carew hit .300 or better 15 consecutive seasons and finished his career with 3,053 hits, which places him 23rd among the all-time hit leaders and makes him one of only 28 players to collect 3,000 or more career hits.

Carew, who won the American League Most Valuable Player award in 1977, was elected to the Baseball Hall of Fame on the first ballot in 1991. He had his number 29 retired July 19, 1987, was selected to the Twins 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time

Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and was named one of the "50 Greatest Twins" in 2010.

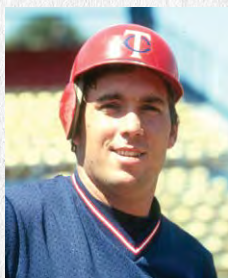

TONY OLIVA

6

Pedro 'Tony' Oliva Jr., or 'Tony-O' to those who followed his 24-year career as a Twins player and coach, was a man who seemed to excel in all aspects of the game. He could hit for power and average, run, field and throw, and his versatility made him one of the most feared hitters of his day.

Tony-O collected 1,917 hits and retired with a .304 career average. He is the only player to win batting titles in his first two seasons and was the winner of three in his 15-year career, which still stands as the club's longevity mark. His prowess as a hitter was demonstrated in the fact that he led the league in hits five times and his 220 career home runs rank third all-time among Twins. If not for knee problems which cut his career short, Oliva would have been a certain choice for the National Baseball Hall of Fame.

Oliva, the 1964 American League Rookie of the Year, began his coaching career in 1976. He now works as a hitting instructor in the Twins minor league system and scouts for the club. He had his number 6 retired July 14, 1991, was selected to the Twins 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and was named one of the "50 Greatest Twins" in 2010.

KENT HRBEK

14

Kent Hrbek grew up in the shadows of Metropolitan Stadium in Bloomington and was destined to become a Minnesota Twin. The big kid had more fun than most and treated Twins fans to much excitement from the day he donned a Twins uniform. From the time he homered in the 12th inning at Yankee Stadium to give the Twins a win on August 24, 1981, until the last game of his career, August 10, 1994, when he came up with the bases loaded three times against Boston as the fans were on their feet every at-bat.

Hrbek, who was runner-up to Cal Ripken Jr. for American League Rookie of the Year in 1982, made his only All-Star appearance that season. He was most appreciated by his teammates and Twins fans for his upper-deck power and agility and for being one of the best ever to play first base. He is among club leaders in nearly every offensive category, but may be best remembered for his Game

6 grand slam in the 1987 World Series, or for his tag of Atlanta's Ron Gant in Game 2 of the 1991 World Series. He had his number 14 formally retired August 13, 1995 and was selected to the Twins 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, was selected to the All-Metrodome team in 2009 and named one of the "50 Greatest Twins" in 2010.

TWINS RETIRED NUMBERS

KIRBY PUCKETT

34

Considered by most to be the greatest Twin, 'Puck' was baseball's jewel for 12 incredible seasons. He was a hero from day one; when he became the ninth player in history to collect four hits in his first game May 8, 1984 at California. The dramatic entrance proved to be just the first of many heroic performances leading up to his shining moment on October 26, 1991, during Game 6 of the World Series versus Atlanta. He went 3-for-4, robbed Ron Gant of an extra-base hit and became the ninth player to end a World Series with a home run on the final pitch, off Charlie Leibrandt, in the 11th inning to force a seventh game.

The 10-time All-Star, 6-time Gold Glove Award winner and 5-time Silver Slugger Award winner had his career cut short when he awoke with blurred vision caused by glaucoma on the morning of March 28, 1996. He was later forced to announce his retirement due to irreversible damage to the retina in his right eye on July 12. He retired as the Twins all-time leader in hits (2,304), doubles (414), total bases (3,453), at-bats (7,244) and runs (1,071).

Puckett was one of the game's greatest community leaders and was given Major League Baseball's Roberto Clemente Man of the Year Award in 1996. He was elected to the Baseball Hall of Fame on the first ballot in 2001 and became the third-youngest living electee in baseball history (behind Sandy Koufax and Lou Gehrig). He had his number 34 formally retired May 25, 1997 and was selected to the Twins 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, was selected to the All-Metrodome Team in 2009 and named one of the "50 Greatest Twins" in 2010. Puckett passed away on March 6, 2006.

BERT BLYLEVEN

28

After breaking into the big leagues at the age of 19, Blyleven would go on to pitch 11 of his 22 major league seasons with the Twins (1970-76 and 1985-88). His knee-buckling curve ball, competitive drive and his knack for being the clubhouse "prankster" are only a few reasons why Blyleven had a successful career.

Blyleven was named the 1970 American League Rookie Pitcher of the Year and was selected to the American League All-Star Team in 1973 and 1985. He finished his Twins career with a record of 149-138, with a 3.28 ERA. His 2,035 strikeouts are the most in Twins history, while his 149 wins rank second.

The winner of two World Series Championships (1979 with Pittsburgh and 1987 with Minnesota), Blyleven ranks fifth on the Major League Baseball's all-time strikeouts list with 3,701.

His number 28 was formally retired July 16, 2011, becoming the first Twins pitcher to have his number retired. Blyleven was selected to the Twins 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame in 2001, was selected to the All-Metrodome Team in 2009 and named one of the "50 Greatest Twins" in 2010. Blyleven was inducted into the National Baseball Hall of Fame in Cooperstown, NY on July 24, 2011, becoming the first Hall of Famer born in the Netherlands.

TOM KELLY

10

"TK" took over the managerial duties for the Twins on September 12, 1986. In his first full season (1987) as the skipper, he led the Twins to their first World Series Championship. It was the first time in major league history that a team went from last place one season to World Champions the next.

Kelly had a managerial record of 1140-1244, which places him first on the Twins All-Time list in wins and games managed. At the time of his retirement after the 2001 season, Kelly was the longest tenured manager/coach in all of major sports. His number 10 was formally retired September 8, 2012, becoming the first Twins manager to have his number retired. Kelly was selected manager on the Twins 40th Season Anniversary All-Time Team in 2000 and one of the "50 Greatest Twins" in 2010.

JACKIE ROBINSON

42

Jackie Robinson broke baseball's color barrier when Branch Rickey brought him up to the Brooklyn Dodgers in 1947. He brought a dynamic style of play to the game and terrorized the base paths. Robinson also proved to be an excellent hitter and a superb defensive infielder. He was voted the National League MVP in 1949 when he hit a league-leading .342 and drove in 124 runs. He batted .311 in his 10-year career and set several fielding records for second basemen.

In conjunction with the 50th anniversary celebration of Robinson breaking baseball's color barrier, Commissioner Bud Selig announced on April 15, 1997 at Shea Stadium that Major League Baseball will retire his uniform number 42 in perpetuity. The Minnesota Twins officially retired his number on May 23, 1997.

MINNESOTA TWINS HALL OF FAME

The Minnesota Twins Hall of Fame, which honors players, coaches and off-field personnel who have contributed to the organization's growth and success since the Twin Cities broke into the major leagues in 1961, was created as part of the club's 40th Season Celebration in 2000.

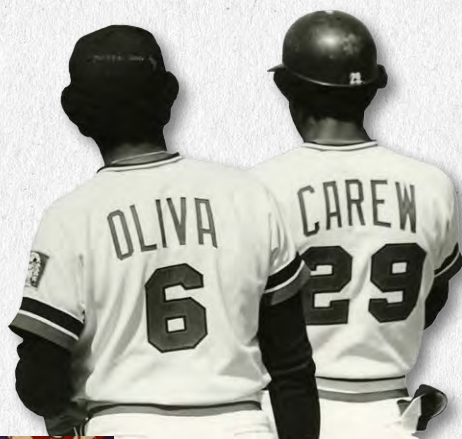

The inaugural class of Twins Hall of Famers, inducted on August 12, 2000, included Harmon Killebrew, Rod Carew, Tony Oliva, Kent Hrbek, Kirby Puckett and Calvin Griffith. The 2001 class included Herb Carneal and Jim Kaat while Bert Blyleven and Tom Kelly were inducted in 2002. Bob Allison and Bob Casey were inductees for 2003, Earl Battey was honored in 2004, Carl Pohlad and Frank Viola in 2005, Zoilo Versalles in 2006, Gary Gaetti and Jim Rantz in 2007, Rick Aguilera in 2008, Brad Radke and George Brophy in 2009, Greg Gagne in 2010, Jim Perry in 2011, Camilo Pascual in 2012 and Eddie Guardado and Tom Mee will both be inducted in 2013.

At right is the criteria for the Minnesota Twins Hall of Fame.

Player — Service time of three seasons and a two-year waiting period following retirement from Major League Baseball. Voting is conducted by a 56-member committee, which includes the fan vote as one "member". The highest vote getter (with at least 50%) is elected, with a second candidate gaining election if they also receive 75% of the vote. No more than two players will be elected per year.

Non-Player — Will be elected in odd-numbered years by a 17-member veterans committee consisting of all living Twins Hall of Fame members, Twins front office personnel and local Twins historians. Those eligible to be voted into the Twins Hall of Fame via the Veterans Committee balloting include owners, managers, coaches, scouts, broadcasters, media and front office personnel. The highest vote getter is elected (with at least 50%), with a second candidate gaining election if they also receive 75% of the vote.

CALVIN GRIFFITH

PRESIDENT & PRINCIPAL OWNER, 1961-83

Griffith was instrumental in bringing Major League Baseball to the state of Minnesota. He moved the Washington Senators to the Twin Cities for the 1961 season, providing Minnesota with their first Major League Baseball team.

In his 24 seasons as president and principal owner, the Twins were 1,930-1,887 with three American League West Division championships (1965, '69 and '70), one AL pennant (1965) and one All-Star Game (1965) while attracting 25,664,104 fans.

Griffith was involved in baseball for over 60 years and was known not only for his keen eye of baseball talent, but his deep passion for the game. He was a member of the inaugural class of the Twins Hall of Fame, inducted on August 12, 2000. Griffith passed away from complications from a kidney infection on October 20, 1999. He was memorialized in the Metrodome with a row of seats from Metropolitan Stadium. "Calvin's" seats hosted underprivileged families at every Twins home game.

CLASS OF 2001

HERB CARNEAL

RADIO BROADCASTER, 1962-2006

The dean of American League radio broadcasters, Carneal was a broadcaster of Twins games for 44 years. He was the 1996 recipient of the Ford C. Frick Award, the highest honor given to a baseball broadcaster, which is presented annually to broadcasters who make major contributions to baseball and its fans.

Hired away from the Baltimore Orioles in 1961, where he was part of the play-by-play team for five years, Carneal was behind the microphone for all but the first of the Twins first 45 seasons in Minnesota. Carneal passed away on April 1, 2007.

JIM KAAT

LEFT-HANDED PITCHER, 1961-1973

Kaat spent 13 of his 25 major league seasons with the Twins and won 10 or more games for the Twins in every season except his first (1961), when he won nine games. Kaat's best season in his career came in 1966 when he was selected to his second of three career All-Star appearances (1962 and 75). He finished the season 25-13 with a 2.75 ERA, leading the league in games started, wins, innings pitched and complete games. Kaat won 16

consecutive Rawlings Gold Gloves from 1962-77.

Kaat pitched in the postseason in two separate years for the Twins, the 1965 World Series and the 1970 American League Championship Series. He is the Twins All-Time leader in wins (189), games started (422) and innings pitched (2959.1) and is second in complete games (133), shutouts (23) and strikeouts (1824). Kaat was also selected as the left-handed pitcher on the Twins 25th Anniversary Team in 1986 and on the Twins 40th Season Anniversary All-Time Team in 2000. In 2010, he was named one of the "50 Greatest Twins".

CARL R. POHLAD

OWNER, 1984-2009

With the franchise facing a possible move out of state, Pohlad purchased the Twins in 1984. He was motivated by a sense of community responsibility and a feeling that major league sports, particularly baseball, are important assets that contribute to the quality of life in the community.

Pohlad enjoyed great success upon taking ownership of the Twins by providing leadership that resulted in two World Series Championships in 1987 and '91 and back-to-back-to-back American League Central Division Championships from 2002-04.

The on-field success of the franchise was largely due to Pohlad's ability to build and manage an exceptional baseball organization with a strong emphasis on player development. Daily and season credentials will be issued only to working members of the media and must be displayed at all times while in Target Field. A photo ID and signature are required to pick up credentials. The pressbox is located on the Club Level (2), while both clubhouses, interview room, press dining and field access are located on the Service Level (-2).

TWINSPRESSBOX.COM

All baseball information, including media guide, game notes, daily clips, stat packs, minor league report, press releases, headshots and logos will be available at twinspressbox.com. This site also provides media with audio and video clips, along with information for the 29 other MLB clubs.

INTERVIEWS

Most interviews may be conducted on the field during batting practice where the manager, players and coaches are usually available, as long as the interview does not interrupt their pre-game routine. Members of the media must stay in foul territory between first and third base. In-depth interviews that require more time with a player should be pre-arranged through the Baseball Communications department. Reporters and broadcasters must leave the field, with photographers reporting to their assigned photo positions, no later than one-half hour before game time.

CLUBHOUSE ACCESS

The Twins clubhouse will be open to media with clubhouse credentials until one hour prior to each game and no longer than 10 minutes following each game. All live television broadcast shots must be conducted outside the clubhouse. Television photographers are allowed in the clubhouse prior to batting practice and after games, but not between batting practice and game time. Still photographers are not allowed in the clubhouse at any time. On occasion of a team meeting, the clubhouse will be closed until the conclusion of the meeting. The training room, dining room and weight room are off-limits to everyone except the manager, coaches, players and Twins officials. The dugout is off limits during the game for everyone except the manager, coaches, players, trainers and certain club officials, in accordance with American League rules.

FIELD ACCESS

Members of the media must access the field through the Umpire/Star Dressing Room Tunnel. The tunnel is located between the Baseball Communications office and the visiting clubhouse on the Service Level (-2).

PRESSBOX

Space is available for accredited members of the media on assignment only. Guests are not allowed unless prior approval has been granted by the Baseball Communications department. Wireless internet is available. To reach the Baseball Communications office and visiting clubhouse, take the stairs or elevator down to the Service Level (-2) and turn left. PRESS ROOM

The Twins Room, located on the Service Level (-2), is available for pre-game meals to media with appropriate credentials, for a \$10 charge, approximately two hours prior to, and up until, game time.

PHOTOGRAPHERS

Due to a lack of on-field photo spots, the first and third base photo pits are limited to the local papers, the wire services, Twins photographers and whomever is assigned for that particular game. Certain exceptions may be made depending on space availability. An alternative for photographers are the designated photo positions around the concourse. Photographers assigned to the on-field locations should remain in the photo pits at all times during the game. If necessary, photographers should leave between innings only. Photos are allowed during batting practice, but photographers must remain on the dirt in foul territory, between first and third base. No photographs are to be taken from the baseball press box.

PHOTO EDITING ROOM

Photographers can edit images before, during or after the game in the photo editing room located by the field entrance on the Service Level (-2).

AUTOGRAPHS

Professional journalists do NOT ask for autographs. Any media members asking for autographs will have their credentials revoked.

PARKING

TREASURE ISLAND BASEBALL NETWORK

2013 marks the seventh season that the Minnesota Twins control their radio broadcast rights. During the summer of 2012, The Minnesota Twins and Northern Lights Broadcasting announced FM 96.3 K-TWIN as the team's new Twin Cities metropolitan area radio affiliate beginning in 2013. The move to FM marks the first time in franchise history that Twins games are broadcast on the FM spectrum in the metro area.

As part of the Twins-Northern Lights Broadcasting partnership, the Twins continue to produce the game broadcasts including pre-game and post-game shows. On the programming front, FM 96.3 K-TWIN is committed to an impressive year-round lineup of baseball-themed shows featuring Twins players, coaches and broadcasters. During the season, FM 96.3 K-TWIN will feature comprehensive Twins coverage including game day shows often originating on-location from various places in and around Target Field and Northern Lights Broadcasting's new studios at the Ford Center (which is across the street from Target Field on 5th street in downtown Minneapolis).

Meanwhile in 2013, 1500 ESPN (the Twins' metro affiliate from 2007 to 2012) continues to air a variety of Twins-related year-round programming including the "Ron Gardenhire Show," "Inside Twins" and an off-season Twins "Hot Stove League" program.

In 2007 the Twins, in partnership with the Minnesota News Network, assumed control and development of the Twins Radio Network with Treasure Island Resort & Casino becoming the first-ever naming rights partner for the network in 2010. Historically, the Twins Radio Network has been one of the largest in all of Major League Baseball with hometown radio partners bringing Twins baseball to fans across five states. In 2013, the Treasure Island Baseball Network has grown to include 81 stations throughout Twins Territory.

The Twins return to 107.5 La Mera Buena and 95.9 HOPE FM to broadcast at least 50 games in Spanish. Alfonso Fernandez begins his sixth season as play-by-play voice with Tony Oliva as the analyst.

ALFONSO FERNANDEZ

SPANISH RADIO, PLAY-BY-PLAY

Fernandez begins his eighth season in 2013 with the Minnesota Twins serving as the Spanish play-by-play announcer.

Fernandez also serves as the Spanish broadcast voice for the Minnesota Timberwolves since 2005.

Fernandez has called the action in Spanish for five other professional sports teams including the Minnesota Vikings (2005-09), the Los Angeles Clippers (1993-95), the Los Angeles Lakers (1988-90) and the Los Angeles

Rams (1987-1991).

He was the first to broadcast basketball in Spanish in the Los Angeles area and has spent 32 years behind the microphone.

Fernandez and his wife Rosalia, daughter Angela and son Jared make their home in White Bear Lake, MN.

TONY OLIVA

SPANISH RADIO, ANALYST

Pedro 'Tony' Oliva Jr., or 'Tony-O' to those who followed his 24-year career as a Twins player and coach, was a man who seemed to excel in all aspects of the game. He could hit for power and average, run, field and throw, and his versatility made him one of the most feared hitters of his day.

Tony-O collected 1,917 hits and retired with a .304 career average. He is the only player to win batting titles in his first two seasons and was the winner of three in his 15-year career, which still stands as the club's longevity mark. His prowess as a hitter was demonstrated in the fact that he led the league in hits five times, and his 220 career home runs rank third all-time among Twins. If not for knee problems which cut his career short, Oliva would have been a certain choice for the National Baseball Hall of Fame.

Oliva, the 1964 American League Rookie of the Year, began his coaching career in 1976. He also works as a hitting instructor in the Twins minor league system and scouts for the club. He had his number 6 retired July 14, 1991, was selected to the Twins 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, and was named one of the "50 Greatest Twins" in 2010.

DID YOU Know?

...that Harmon Killebrew is the only Twin to lead the American League in home runs.

"Killer" led the league in 1962, 1963, 1964, 1967 and 1969.

TWINS SPRING TRAINING MEDIA POLICIES

SPRING CREDENTIALS

Credentials for accredited news media for Spring Training games are available through an application at <https://credentials.mlb.com>. These will be issued only to daily newspaper reporters who will be covering the club, home and road and to area radio and TV sports reporters and camera crews who will be covering on a regular basis. All other media entities will be credentialed on a per-game basis (including parking) through an application at <https://credentials.mlb.com>.

No fax or email requests will be accepted unless approved by the Baseball Communications department. Transfer of working press credential will result in the termination of coverage privileges for the individuals involved. A photo ID and signature are required for credential pick-up at the VIP Window.

FIELD ACCESS

Allowed during batting practice and other workouts during the early training period, but once the game schedule begins the field must be cleared at the end of visitors' batting practice. All reporters must confine themselves to foul territory between 1st and 3rd base. Workouts begin daily at approximately 9:00 a.m.

DINING ROOM ACCESS

Available only to those media credentialed to cover that day's game, for a \$5 charge. This room will open at 11:30 a.m. for day games (5:30 p.m. for night games) and will close at gametime. Working photographers will be permitted in the press dining room on the same basis as other reporters.

PRESSBOX ACCESS

Permitted only to members of the Baseball Writers' Association of America (BBWAA) and to coverage reporters of area daily newspapers and radio and TV stations. Weekly newspapers can be accommodated only on a space-available basis. Wireless internet is available.

CLUBHOUSE ACCESS

Limited to members of the Baseball Writers' Association of America (BBWAA) and to coverage reporters of area daily newspapers and radio and TV stations. The clubhouse will be open prior to and following workouts during the pre-schedule workout period with certain exceptions. During the game schedule, the clubhouses will be closed at the end of batting practice until five minutes after games. Clubhouse access is limited to the player-locker area and the manager's office. The training room, exercise room and equipment rooms are off-limits to all media. No still cameras are allowed in the clubhouse.

INTERVIEWS

Players will accommodate when possible where on-field interviews are concerned. Any in-studio appearances or appearances on the player's own time must be set up through the Baseball Communications department.

RADIO & TV

No cameras will be allowed in the clubhouse prior to games and workouts. Television cameras will be allowed in the clubhouse after games and workouts. Feature material should be filmed on the field during batting practice. Post-game interviews may be conducted on the field or in the clubhouse for both TV and radio.

CAMERA POSITIONS

Several camera positions are available for shooting during the game, but no cameras will be allowed on the field itself. The center field position will be for game television cameras only, as will the low home position, unless cleared through the Baseball Communications department. High and low, first and third base will be credentialed on a space-available basis. Any photographers shooting from the field photo pits will only be allowed to leave or change positions between innings.

PHOTOGRAPHERS

No still photographers will be allowed on the field during the game or in the clubhouse at any time. There are at least four positions from which photographers may shoot during games. On the first day of full squad workouts, photographers will be allowed the freedom of the field during the exercise period, but must stay in foul territory during the actual workout times. On all other days, all media personnel must stay in foul territory and no farther down the lines than first and third base. No photographs are to be taken from the pressbox.

PHOTO DAY

Will be on Tuesday, February 19, beginning at 7:30 a.m., sharp. All photographers seeking file head shots are asked to cooperate by doing this on Photo Day, when the players will be made available in an assembly line fashion to accommodate all accredited news services.

AUTOGRAPHS

Professional journalists do NOT ask for autographs. Any media members asking for autographs will have their credentials revoked.

TICKETS

May be purchased by coverage personnel out of a block held for this purpose. These tickets are for personal use only and advance notice is recommended to increase chance of availability.

LEE COUNTY SPORTS COMPLEX

The Twins will spend their 23rd spring training season at the Lee County Sports Complex in 2013. Spurred by their first year in the state-of-the-art facility, the Twins won the 1991 World Series after enjoying their most successful Spring Training camp in history as they posted a record-high 21 wins. In the 22 years, the Twins have drawn at total of 2,271,351 fans for 352 dates, an average of 6,453 per game (total does not include 17 replacement games in 1995 which drew 49,240 fans).

Located south of the city of Fort Myers near Interstate 75, the Lee County Sports Complex is the Spring Training home to the Twins and their six minor league affiliates. It features five full and two half-fields, the centerpiece of which is an 8,010-seat stadium in which the major league Twins play their exhibition games and conduct some of their daily workouts. The main stadium was renamed Bill Hammond Stadium late in the 1994 spring season in honor of the longtime Deputy County Manager who was instrumental in getting the complex approved and bringing the Twins to Lee County.

The Sports Complex is the home to two of Minnesota's minor league affiliates, housing both the Miracle of the Class A Florida State League and the Rookie level Gulf Coast League Twins.

Major league home and visiting clubhouses are included in the stadium proper, and complete facilities for the minor league teams are contained in a building adjacent to their playing fields. Prior to the start of the 2005 Spring Training, a 6,000 square foot state-of-the-art fitness training room and conference center was built next to the minor league facility. During the winter of 2007, Lee County and the Twins implemented a variety of improvements to Hammond Stadium, including installation of a grassy berm (featuring lawn seating for 230 fans) adjacent to right field; relocation of the visiting team bullpen to the right-field corner; installation of a drink rail (featuring 50 ticketed locations) and party deck behind the grass berm; and installation of two new rows of seats (125 seats in total) at field level between the dugouts. Prior to the start of the 2008 spring schedule, new lights and seats were put in at Hammond Stadium.

The major league club's administrative offices are located in the stadium, with the minor league department's offices in the building adjacent to its fields.

The facility also features a four-field softball complex and other athletic facilities for use by Lee County organizations and visiting amateur baseball and softball teams, plus an eight-acre water-management lake for public fishing.

The Twins trained in Orlando, Florida, from 1936 through 1990 (with the exception of the war years of 1943, 44 and 45, when they conditioned in College Park, Maryland) and their minor league clubs moved to Terry Park in Fort Myers in 1990, after headquartering in Melbourne, Florida, from 1964-89. The entire organization was united for the first time at Lee County Sports Complex in 1991.

The Lee County Sports Complex, an \$18.2 million undertaking, was completed in February, 1991. Lescher and Mahoney, an architectural and engineering firm based in Tampa, Florida, was the lead architects for the project, with design assistance from Ellerbe-Becket of Kansas City, Missouri. Case Contracting Company of Plant City, Florida, was the contractor.

On August 3, 2004, the Twins signed an extension with Lee County for use of the complex through 2020. On November 6, 2012 the Lee County Board of County Commissioners approved a \$42.5 million renovation and a new 30-year lease, which will be active once renovations are completed in time for 2015 Spring Training. The renovations will take the seating capacity to 9,300 and include a 55-room dormitory for players and staff, a new party deck, gift shop and an outfield boardwalk around the playing field to create a 360-degree walk-around the stadium, similar to Target Field. The plan will also renovate previously existing concession stands, restrooms, suites and press box areas. The field of play will be updated to match the dimensions of Target Field.

2015 LEE COUNTY SPORTS COMPLEX RENOVATION RENDERINGS

RIGHT: Renovations will include a 360 degree boardwalk with group gathering areas, shade trellises, a second berm in LF and several different seating options around the outfield.

RIGHT: Pre-game gathering spaces outside the gates, additional (and faster) elevators and a grand new entry into the seating bowl from behind home plate are among the features expected for 2015.

LEFT: The new site plan will include an additional practice field, a player development academy adjacent to the minor league complex and additional parking beyond the softball fields.

LEFT: Wider concourses with shade trellises will make it easier to navigate through the Hammond Stadium facilities.

RIGHT: A deck at the top of the seating areas will allow fans to view the field from different angles, most of which will be covered by the existing roof.

RIGHT: The right field boardwalk area will feature several seating options, concessions and shaded areas.

LEFT: A player development academy will include dining facilities and meeting space for 200 players and staff, plus classrooms and recreation areas to be used throughout the year.

LEFT: The top two floors will feature a 55-room dormitory that will house minor league players during spring training, the GCL season, rehabilitation assignments and fall instructional league programs.

Jim Rantz

2007 TWINS HALL OF FAME

After 52 years in the Twins organization, Senior Director of Minor League Operations, Jim Rantz, announced his retirement from baseball on October 15, 2012.

The 75-year old Rantz had been a member of the Twins organization since its inception in 1961 after signing his first professional contract with the Washington Senators in 1960. The former pitcher earned the win for the University of Minnesota in the deciding game of the 1960 College World Series. After spending five years as a player and manager, he joined the Twins front office following the 1965 season.

He spent four years as Assistant Public Relations Director before moving into the minor league and scouting department. Rantz was named Director of Minor League Operations in January of 1986 and assumed full administration of the Twins minor league baseball operations. In addition to handling minor league player contract negotiations, Rantz worked closely with the Twins six affiliates where he was responsible for player moves and for the development of young talent for the major league club.

In 1997, he was the Topps' Long and Meritorious Service Award winner. Under the guidance of Rantz, the Twins organization was named Topps' Organization of the Year in 2000 and again recognized by *Baseball America* as Organization of the Year in 2002 and 2004.

In 2008, he was selected by Minor League Baseball as the first recipient of the Sheldon "Chief" Bender award for distinguished service, player development and fostering good relationships with the organization's affiliates.

In 2007, Rantz was named to the Twins Hall of Fame.

"I will never forget being honored with induction into the Twins Hall of Fame," said Rantz. "It was a very humbling feeling to become a member of this select group and it is the highlight of my career."

Rantz added, "I am proud of our staff's many accomplishments and still get a thrill when a young player advances through our system and plays in the major leagues."
